

## 199 Prince St. Class List - Winter 2010

It's hard to believe we are now in 2010. The Quilting B & More has many new and some old classes scheduled for the winter and spring of 2010. Owners Classes start soon so if you are the proud owner of a new PFAFF or Singer sewing machine, give the shop a call to get your name on the class list. "STRIP Club", "PFAFF Club" and "Embroidery Club" will continue to be favorites. We have a few new classes added; "Pattern Reading" for those sewers who would like to understand how to follow a sewing pattern. "Beginner Sewing and Home Décor II" is for those who have completed the Apron and Pajama pants and want to do more. Check out "Color Falls" a lap sized quilt with a black background and an assortment of jewel tone colors; this quilt is eye catching to say the least. For those who have always wanted to make the "Hunter's Star" it starts in January, don't miss out sign up now. We hope you will find something new and different at Quilting B & More this winter.

If a class requires that you purchase a pattern or book, it will be stated in the class description. We offer a 10% discount on fabric and a 10 % discount on notions used in our classes. In addition your purchases get added to your honey Bee Account. Not a member of the Club, just inquire at the shop and we will get you signed up. Machines are provided for our classes free of charge.

All classes must be paid for at least one week in advance of the start date of class. A paid registration holds your place in the class. If insufficient registrations cause us to cancel the class, your class fee will be refunded. If you are unable to attend a class, one weeks notice is required for your payment to be refunded in full. We also ask if you would refrain from wearing scented products due to allergies. We look forward to seeing you at the Quilting B & More this winter.
